### What emergencies might impact a school? Which actions are taken?

**Severe weather** - Schools may Shelter until weather passes; could delay release of students at end of day until safe to exit building.

**Threat of Violence or Weapon on a Person** - Lockout, Lockdown, or Evacuation, depending on the situation.

**Intruder** - Requires an immediate Lockdown; an emergency notification will be sent to parents by the district with any instructions.

**Police Activity in the Area** - Usually a Lockout; action may be taken at the direction of law enforcement or any staff member at the school.

### What do I need to know, do, and not do?

- If you’re at a school and an emergency occurs, follow protocol with students and staff.
- We know families want information right away. Our experience has taught us initial information is almost always incorrect. Please know, our security and administrative staff are working hard to determine what the real situation is and will communicate with families as soon as information is verified as **accurate** and next actions have been determined.
- Do not call the school or security staff, as they are working on the situation and ensuring your student’s safety. Do not go to the school; this may interfere with procedures. Only public safety personnel will be allowed in/near a school during an emergency situation.
- We understand you may want to communicate with your student during an emergency, however, please refrain from calling; it may prevent him/her hearing important, possibly life-saving, instructions.
- It is **vital** parents and guardians keep their information updated in [JeffcoConnect](#). We will utilize email, text messaging, and phone calls to communicate with you.
- The **fastest way to get information in an emergency situation** is to follow us on Twitter ([@JeffcoSchoolsCo](#)) and Facebook ([@JeffcoPublicSchoolsColorado](#)). It is our **first** and **fastest** means of getting messages out. Also, check our website for alerts posted on the main page.
